## Newsletter

### March 2024

As we approach the Easter holidays, we would like to say a huge 'Thank You' all our families for your support this term with home learning on century tech. This term, learners have answered over 340 thousand questions whilst retrieving and practising the knowledge and skills they have acquired each week in school. Learners are also asked to complete an additional 2 learning nuggets from their pathway; however, many of your children complete many more, and this is having a positive impact on learning and progress.

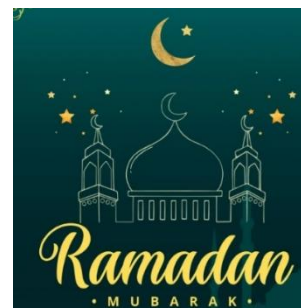

Within this month's newsletter, there is lots of information about activities and family events during the holidays. Many of these are local and free for your children to enjoy. Please also read the letter attached to the end of the newsletter which contains important from the NHS about measles.

## Ramadan

We would like to wish all our families observing the holy month of Ramadan a blessed month filled with joy, peace, and fulfilment. As Eid will take place during the holidays, when we return to school, we would like to invite all learners to take part in a celebration lunch on Friday 29<sup>th</sup> April. Learners can also come to school in their own clothes on this day.

Each day throughout Ramadan, classes have chosen a good deed for all learners to complete that day. The deeds, which are displayed on classroom doors, are designed to remind and allow learners to show the values of this holy month such as kindness, charity, respect, honesty and love.

## **Parent Information Sheet and Parents Evening**

On Thursday 28th March, all learners received a Parent Information Sheet to take home. This document contains important information in relation to your child's attainment and effort. It also contains the targets they will be working towards next half term. Please discuss the information sheet with your child and ask them about their learning. After the holiday, you will receive details of Parent Teacher Meetings which will be held on Tuesday 23<sup>rd</sup> March.

What have you learnt this term in science/geography/history?  
What skills have you developed? Can you tell me 5 facts about your science learning?

What story have you been reading in class? Can you tell me the plot? Who is your favourite character and why?

What are you most proud of in your learning this term? Can you tell me what makes you proud of this learning?

## **World Book Day**

We had a wonderful day in school celebrating [#WorldBookDay2024](https://www.worldbookday.co.uk/). As you can tell from our pictures, this year our theme was Dr Suess. All week, each of our classes explored one of his stories or poems and today performed this together as a class.

## **Building Bridges**

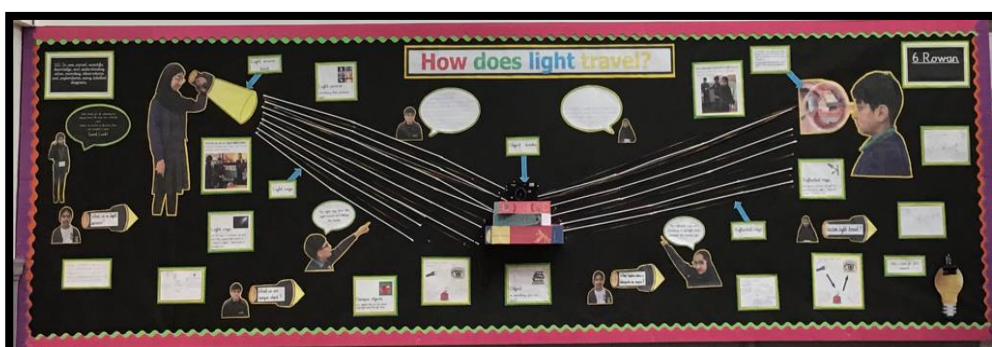

This month, as part of the Building Bridges Pendle twinning project, Year 5 were delighted to be joined by Park Primary and Wheatley Lane Primary School in our Lomeshaye sports hall,. Working with an artist, learners produced portraits of each other and painted some local landmarks. They also had lots of fun finding out all about each other and making new friends.

## **Science**

This term all learners have been developing their skills and knowledge in Science. As part of their science topic in Year 3 on skeletons and movement, Year 3 were visited by the fracture clinic nurse. She taught them about the role muscles, tendons and bones played in movement and how the skill of observation is especially important in her role. Year 4 were visited by an electrician during their electricity unit. All classes have created a science display showcasing their learning for the rest of the school to read and enjoy. We hope you enjoy them too! Please ask your child about their learning, using their class display to help you.

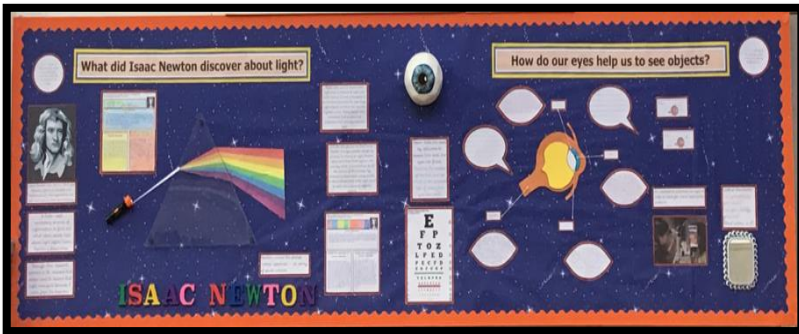

## **6 Rowan**

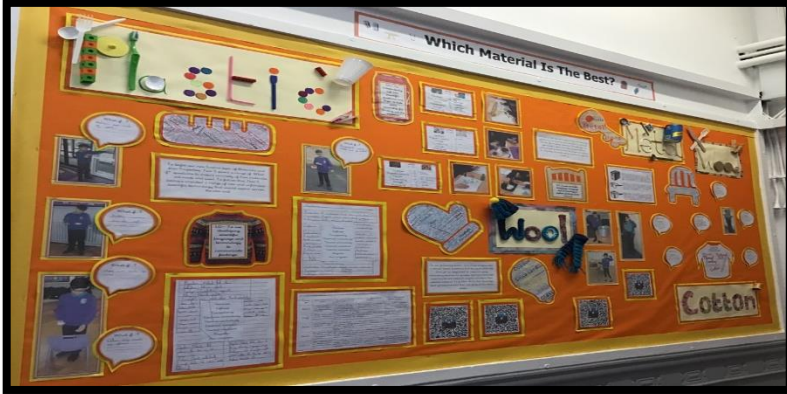

## 6 Elder

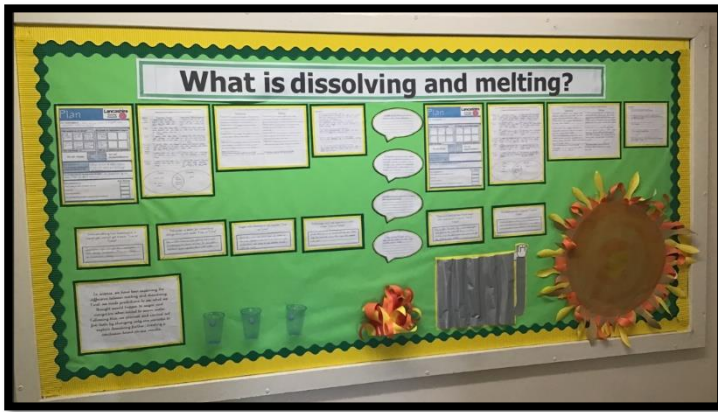

## 5 Larch

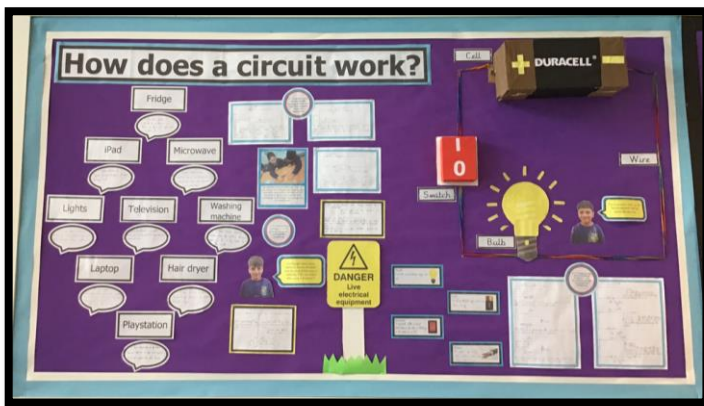

## 5 Cedar

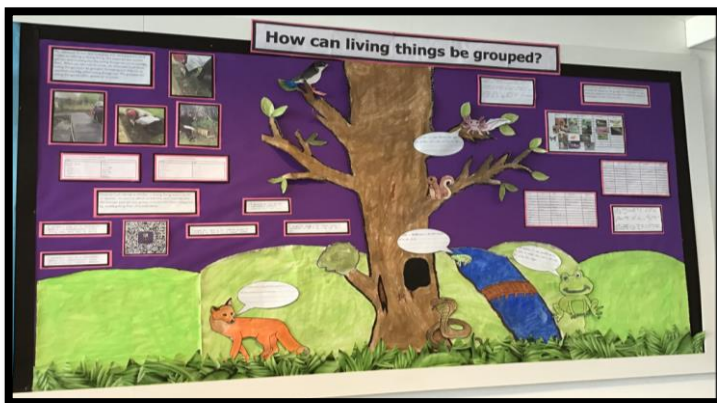

## 5 Beech

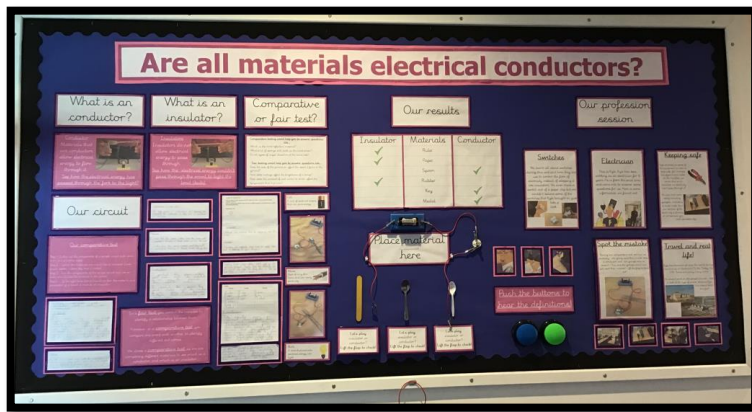

#### **4 Sycamore**

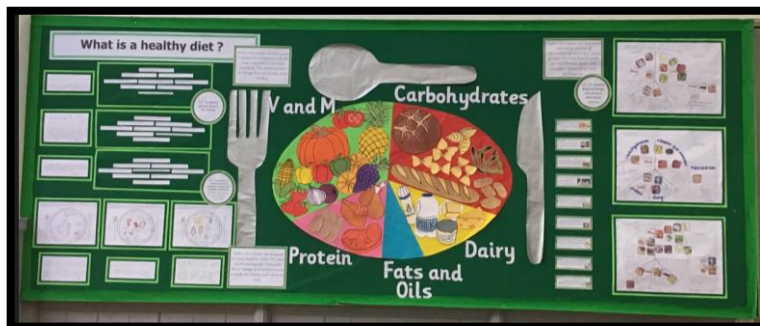

#### **4 Willow**

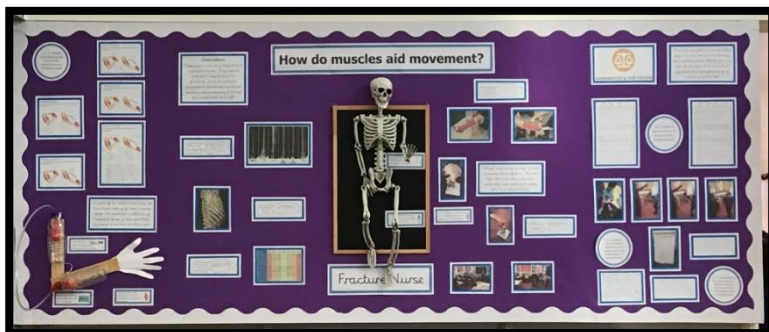

#### **4 Chestnut**

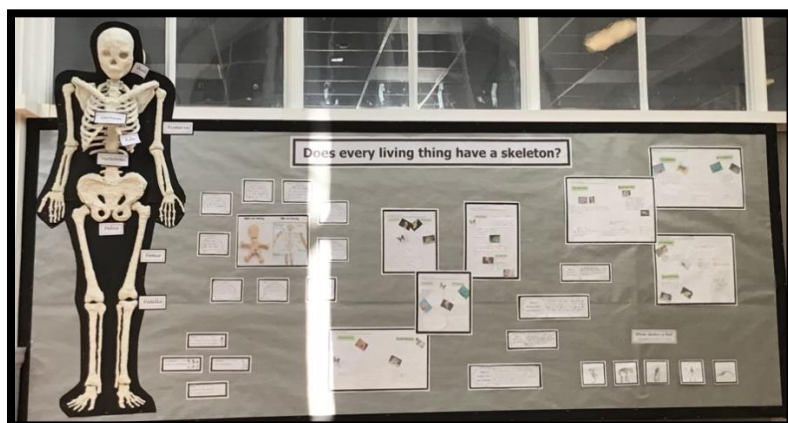

### 3 Oak

### 3 Maple

### 3 Elm

## RE Learning

This month, Year 4 have learnt all about the sacrifices Jesus made during his life in their R.E lessons. Following this they decided to make a sacrifice of their own and collected items to donate to a local food bank.

Each class competed to find out who could collect the most items. 4 Sycamore managed to collect the most items and 181 items were collected in total! All items will be sent to Nelson Community Mosque who will deliver to the foodbank.

## Holiday Activities and Events

We hope that our families are able to take part in some of the local events and activities taking place during the holidays. You can share this with us by tagging us on Facebook or twitter @lomeshayejuniorschool

## Health and Online Safety

Please read the letter below which contains important medical information all parents need to be aware of from the NHS. Following this we have included a parent guide to Cyber Bullying. This contains an informative link with tips and guides of how to keep your child safe online.

Public Health Commissioning Team  
NHS England North West  
Level 3, Christ Church Precinct  
County Hall  
Fishergate Hill  
Preston  
PR1 8XB

March 2024

Dear Parent/Carer,

You may be aware there are currently cases of measles in the North West.

To protect your child from infection, we recommend that all children have two doses of the MMR vaccine.

If you are unsure whether your child has been vaccinated, you can check your child's red book or your GP surgery should be able to check whether they have had one or both doses of the MMR vaccine and can offer them an appointment if there are any outstanding vaccinations for your child.

Or alternatively you can visit the following pharmacy that has the MMR vaccine and can offer this service for 5 – 11 yr olds on a walk in basis:

**Barkerhouse Pharmacy, 102-104 Barkerhouse Road, Nelson, BB9 9EU**

**Tel: 01282 612140**

Although this is a walk in offer, we do recommend you call ahead to ensure there is no waiting time for you.

Please scan the QR code below for further information on the MMR vaccine.

Yours sincerely,

Tricia Spedding

Deputy Head of Public Health

NHS England – North West

Keeping children safe online

### A Parent's Guide to Cyberbullying

**Many young people who are victims of cyberbullying suffer in silence.**

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

**It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.**

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

**Parents** please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.

## Finally

Thank you as always for your continued parental support. If you have any concerns please contact us so that we can provide the necessary support and guidance. We hope you have a lovely break and we will see you at 8.40 on Monday 15<sup>th</sup> April.
