Pupils, Staff and Governors

## 4 Monitoring and Review

Lomeshaye is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the

performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.

School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Attendance
- Exclusions and truancy
- Racism, disability, sexism, homophobia and all forms of bullying
- Participation in Extended Learning Opportunities

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Lomeshaye is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

The person responsible for the monitoring and evaluation of this policy and action plan is the Headteacher – Angela Pleasants

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions
- Work with the governing body on matters relating to equality
- Support evaluation activities that moderate the impact and success of this policy

We try to ensure that all such non staff members who have contact with children adhere to these guidelines.

## **Provision for Bi-lingual Pupils**

We undertake at Lomeshaye Junior School to make appropriate provision for all learners. All our pupils are EAL/bi-lingual learners and we ensure they have access to the whole curriculum. Note:

In addition, there are also instances in which a job will qualify for a genuine occupational requirement on the grounds of gender. However, only in very few instances would this be permissible, for example, where the job is likely to involve physical contact with members of the opposite sex, where matters of decency or privacy are involved.

## **Appendix 1 – for information**

### **Race**

The term race includes colour, ethnic origin, nationality, national origin and citizenship as well as race.

#### **Reporting racist incidents in schools**

Schools in Lancashire are required to have in place a procedure for dealing with and reporting racist incidents, which includes providing an annual summary of racist incidents to Lancashire County Council.

### **Disability**

#### **What is a disability?**

- Disability is a physical or mental impairment which has an effect on a person's ability to carry out normal day-to-day activities. That effect must be:
  - substantial (more than minor or trivial)
  - adverse
  - long-term (it has lasted, or is likely to last, for at least a year or for the rest of the life of the person affected).

There is no need for a person to have a specific, medically-diagnosed cause for their impairment – what matters is the effect of the impairment, not the cause.

Examples include hearing or sight impairments, a significant mobility difficulty, mental health conditions or learning difficulties. There are many other types of condition, illness or injury that can result in a person being *disabled* (e.g. diabetes, asthma, cancer, arthritis, epilepsy, multiple sclerosis, heart conditions, facial disfigurement).

## GENDER

The term gender includes boys, girls, men and women, and transgender/transsexual people. Sexual orientation is a distinct protected characteristic. (The term transgender refers to a range of people who do not feel comfortable with their birth gender).

### What is the difference between sex and gender?

- Sex refers to biological status as male or female. It includes physical attributes such as sex chromosomes, gonads, sex hormones, internal reproductive structures, and external genitalia.
- Gender is a term that is often used to refer to ways that people act, interact, or feel about themselves, which are associated with boys/men and girls/women. While aspects of biological sex are the same across different cultures, aspects of gender may not be.

### Sexual Orientation

**Heterosexism** is any prejudice and discrimination against individuals and groups who are lesbian, gay, bisexual (LGB) or are perceived to be so. It is based on the assumption that everyone is or should be heterosexual. Expressions of dislike, contempt or fear based on heterosexism are usually known as **homophobia**, although **lesophobia** and **biphobia** are also coming into use.

Whether through institutional practice or personal behaviour, the prevalence of heterosexism is likely to mean that LGB people feel excluded and unsafe. This effect can be mitigated by an actively welcoming and supportive environment.

**Sexual orientation** is defined as an individual's sexual orientation towards people of the same sex as her or him (gay or lesbian), people of the opposite sex (heterosexual) or people of both sexes (bisexual).

### Transgenderism and gender re-assignment

Transgender is an umbrella term used to describe people whose gender identity or gender expression differs from that usually associated with their birth sex. Gender re-assignment is the process a transgender person goes through to change sex.
