WELCOME BACK TO SCHOOL EVERYONE!

We hope that your children have had a good first full week back at school. Thank you to all parents/carers for sending your children to school, I have noticed lots of happy, smiling faces each day and I have heard several positive comments from your children about how glad they are to be back at school.

As you are all aware the school is doing all it can to keep your children as safe as possible while they are at school. Please can I remind everyone that at home time it is important for you all to **WEAR A MASK** and stand **2M APART WHEN WAITING** for your child's class to come out of school.

A huge well done to everyone that attended school over the last week, where our whole school attendance figure was 97.9%. Congratulations to everyone that got to school this week, especially all of those pupils in 3 Elm class who were our attendance winners!

Visitors at School—for the foreseeable future we will not be welcoming any visitors into school to work with our pupils, this is in an attempt to keep everyone as safe as possible. However, we are allowed to work outside following social distancing guidelines so over the coming weeks we will have Alison Cross visiting our school working with groups of pupils on some Science in the school garden.

Year 4 Science in the Garden— On Thursday morning this week 10 Year 4 pupils from each of our Year 4 classes went to do some great Science work in the school garden. The pupils were exploring the garden environment, looking out for insects, bugs and special plants that all live outside.

Mon 14th Sept—Everyone's a Reader Afternoon—Roald Dahl themed.

Tues 15th Sept—Year 3 Day 10. PLEASE COME TO SCHOOL IN YOUR PE KIT YEAR 3.

Wed 16th Sept—Year 4 Day 10. PLEASE COME TO SCHOOL IN YOUR PE KIT YEAR 4.

If you have difficulty in reading or understanding the newsletter, please ask your child to help you or please contact the school office for translation
