Issue 186 Editor Miss S A Jones

Lomeshaye Life

As you are all aware the school is doing all it can to keep your children as safe as possible while they are at school. Please can I remind everyone that at home time it is important for you all to WEAR A MASK and stand 2M APART WHEN WAITING for your child's class to come out of school.

A huge well done to everyone that attended school over the last two weeks. As it is difficult when we haven't got a full school in so we are going to wait until a week has been completed with every class back at school before we announce any attendance winners.

Whole School Everyone's a Reader Afternoon— on the afternoon of Monday 14th September all of the children in school took part in a special celebration for Roald Dahl's birthday. The children learnt some facts about Roald Dahl and even took part in activities just like Dahl had written about in some of his much loved children's stories.

In 3 Oak and 5 Larch they looked at **GEORGE'S MARVELLOUS MEDICINE** and completed quite a few different science experiments in class to make a medicine for Grandma...but in the end they decided to go for the one that would blow her head off!!

Children Sent Home to Isolate— If your child is sent home to isolate then they **should not be going out to play with friends, nor should they be mixing with any family members that do not live in the same house as them.** These are two very simple rules that will help to control the virus. Your child should also be engaging in home learning while they are off school. This takes place on the internet everyday. Please make sure that you check with your child that they are completing all of their home learning if they are sent home from school.

Mon 5th Oct—World Teachers Day

Tues 6th Oct—Year 5 COME TO SCHOOL IN YOUR PE KIT

Wed 7th Oct—Year 6 COME TO SCHOOL IN YOUR PE KIT

If you have difficulty in reading or understanding the newsletter, please ask your child to help you or please contact the school office for translation
