Acting Headteacher: Mrs A Spokes

Friday 15th January 2021

Dear Parents/carers

As the Acting Headteacher, I want you to know that the staff at Lomeshaye are committed to ensuring that all learners are receiving the best learning opportunities under these unprecedented times.

The teaching staff and I have again this week reviewed our online learning offer and we have refined the learning even more. As from Monday all teachers will focus on the teaching of identified key skills that the learners will need to acquire. By embedding key skills, learners will be able to apply these to their learning within our creative curriculum, once they are back in school.

Please can I urge you to ensure that your child/ren access their learning on a daily basis. We are also wanting all children to log onto a live session with their class teacher on the days and times specified. This will be communicated via Seesaw and in their class Teams group. These sessions will increase in frequency as we move through the term. It is so important that all children do this so that they can make contact with their teacher, share their learning and ask any questions.

I believe that communication between school and home is of utmost importance and so please do not hesitate to make contact with us if you are concerned about an issue, need help with your child's learning or any other general enquiry. When wanting to communicate with us please can I ask that you follow the following protocol:

- If you have a question about the learning, please contact the class teacher on Seesaw
- If you need support in other areas, e.g. a food parcel, free school meals, or contact information for other support services, please contact the school office on 01282 612063 or office@lomeshaye.lancs.sch.uk
- If you have a question or query about protocols within school, please contact myself, Mrs Spokes, on 01282 612063 or office@lomeshaye.lancs.sch.uk

I apologise again for the times during which the school may not have communicated clearly with parents but moving forward we need to work together to improve our systems. Please can I ask you not to turn to social media as means of communication but to contact me directly and I will respond to you in a timely manner to address your concerns.

Kind Regards,

Mrs A Spokes
